Inclusive, Comprehensive, and Integrated Healthcare

The health care needs of our patients are complex and go beyond *white coats and stethoscopes*. BMHC offers programs and services specifically tailored to meet the needs of individuals who face multiple and challenging barriers to accessing quality primary health care and supportive services.

Challenges to Accessing Health Services

**Poverty, Mental Illness, Racism,
Homelessness or Inadequate Housing,
Lack of Education, Social Isolation, Addictions**

The funds raised will be used to support our Smoking Cessation, Diabetes Education, Foot Care Clinic, Dental Clinic, Kindred House, HAART House, Miyowayawin Clinic, Youth Clinic at iHuman, Women's Health Promotion programs, and our many other much needed programs and services.

**The Boyle McCauley Health Centre's
25th Annual DIM SUM WITH A DIFFERENCE
Will be held on Saturday, February 24, 2018**

Sponsors are vital to the success of this annual event

**Our goal this year is to raise
\$60,000.00**

At BMHC we take a broad view of health care. Mental illness and addictions, HIV, Hepatitis C treatment, and chronic disease management are integrated in regular primary health care. Along with the patient, nurse practitioners, nurses, social workers, doctors, psychiatrists, mental health and addictions counsellors, dentists, and outreach workers are all part of the care team working together to ensure that each patient's needs are understood and addressed.
