

## **DENTIST**

Boyle McCauley Health Centre

**Permanent Part-time – Staff Position (Salaried)**

The Boyle McCauley Health Centre is committed to providing comprehensive, accessible and quality health care to the underserved and most vulnerable. For over 3 decades our interdisciplinary team of dedicated professionals has been essential in helping fulfill that mission. If you are a team player, creative, and passionate about accessible dental and primary health care, and want to make a difference in the community, then the Dental Clinic at BMHC is the opportunity you seek.

Staff Dentist is responsible for the provision of direct dental service to both adults and children. Incumbent will provide patient care within the scope of general dentistry, including preventative and restorative treatment.

### **Qualifications:**

Current Registration with Alberta Dental Association and College  
Fluency in written and spoken English is required
