***EASING BARRIERS...  
CHANGING LIVES...***

## OUR WORK...

Since 1980, Boyle McCauley Health Centre has provided quality, accessible health care to Edmonton's most marginalized women, children, men and seniors. As Canadians, we have come to expect that the healthcare we receive, whoever we are, and where ever we live in this country, is easily accessible and of the highest standard.

**The reality is that in Edmonton there are many among us who face multiple challenges accessing health care and look to Boyle McCauley Health Centre to meet their needs.**

### CHALLENGES TO ACCESSING HEALTH SERVICES:

**Mental illness, Social isolation, Poverty,  
Homeless or inadequate housing,  
Racism, Lack of Education, Addictions**

The needs of Edmonton's inner city people are complex and go beyond "*white coats and stethoscopes*". BMHC offers programs and services specifically tailored to meet the needs of the people we serve. The funds will be used to support our **Dental Clinic, Kindred House, HAART House, Women's Health Promotion programs, and many other services needed by our clients.**

### BMHC AND OUR CLIENTS COUNT ON OUR PARTNERS IN THE COMMUNITY

The Boyle McCauley Health Centre's 18th Annual DIM SUM WITH A DIFFERENCE will be held on **Saturday, February 20, 2010** at one of Edmonton's finest oriental eateries—Noodle Noodle Restaurant.

**Sponsors are vital to ensure the success of this annual event.**

**Our goal this year is to raise  
\$ 40,000.00**
