

**Position: Licensed Practical Nurse (LPN)
Boyle McCauley Health Centre**

Type: Casual

Hours of Work: Varied

This position offers a full scope of practice in a community health centre setting providing primary health care and health promotion programs for marginalized populations. The Licensed Practical Nurse (LPN) practices as a member of an interdisciplinary team of Physicians, Nurse Practitioners, LPNs, Mental Health and Social Workers.

Duties and Responsibilities:

- Includes but not limited to performing treatments and procedures; observing, monitoring, reporting and documenting vital signs, dressings, removal of sutures, medications, and providing IM/ID injections as needed, including the operation of flu clinics.
- Assist other health practitioners as required.
- Handling routine office functions including telephone, fax communications, charting, correspondence, filing, and related documentation.
- Attending monthly staff meetings and weekly medical clinic meetings.

Qualifications:

- Current registration with CLPNA.
- Able to balance numerous demands and conflicting priorities, strong problem solving skills.
- Ability to work co-operatively within a multidisciplinary team
- Ability to demonstrate patience and understanding for those with addictions and behavioral disorders.
- Excellent communication skills.

Reports to: Clinic Coordinator.
