NURSE PRACTITIONER - Family All Ages
Full-time
Boyle McCauley Health Centre

Job Summary

The Nurse Practitioner (NP) at Boyle McCauley Health Centre functions with a high degree of autonomy within an interdisciplinary team to provide comprehensive primary health care services, including assessment, diagnosis and health care management for clients living in the inner city, and presenting with complex health needs. This is an advanced nursing role within a specialty area of practice characterized by highly developed critical thinking skills, clinical nursing experience, advanced education and incorporates both social and clinical components. The role also includes participation in quality initiatives and evidence-based practice. This position requires the NP to follow established organizational policies and procedures, professional code of ethics, and the Canadian Community Health Nursing Standards of Practice.

Qualifications

- Current registration with the CARNA
- Registered on the CARNA Nurse Practitioner roster , Family All Ages
- Baccalaureate Program in Nursing preferred. 3-5 years nursing experience. Successful completion of a Nurse Practitioner program or equivalent qualifications as certified by certificates, diplomas, or degrees.
- Security Clearance
- Experience in caring for diverse populations
- English required. A second language is an asset.

Skills and Abilities

- Demonstrates compassion, understanding and respect when working with disadvantaged, and challenging individuals.
- Supports a respectful workplace
- Excellent leadership, critical thinking, organizational and communication skills
- Expertise in developing and maintaining excellent working relations with all member of the interdisciplinary team
- Ability to work in a collaborative practice model
- Strong health assessment and clinical skills
- Ability to prioritize, manage time effectively and be flexible in an active work environment
- Self-motivated
- Ability to maintain confidentiality and impartiality
- Experience with youth is an asset
